STAR ATTRACTION UNIFORM AND GEAR

Uniform: Baton twirlers have two choices of uniforms (numbers 1 or 2 below) to wear to perform with Star Attraction during any of their many parades, shows and competitions. Cheerleaders and Flag Twirlers must wear choice number 1.

1. "Star Attraction" t-shirt or sweatshirt, with your choice of official Star Attraction or plain, matching shorts or sweatpants.
2. Our official baton twirling uniform (skating style) comes with sequined stars and hair ribbons. Only those who have completed one session of baton classes are eligible to wear this uniform! Team members must wear this uniform. Anyone who has lost or ruined any sequined stars on their uniform should order new ones at this time. (Follow the care instructions given with uniform.) Please take pride in your appearance, as it also reflects on the entire Corps and will be judged when in competitions. You are representing Star Attraction when in uniform!

Placing an Order: Bring your order to the next class. **(Items do sell out, so it is necessary to order early. Once available items are sold out, all future orders must be placed online. Online prices may be more than items currently in inventory, so purchase from your instructor now at last year's prices!)** Place the order form and CASH ONLY (no checks are accepted) in an envelope with your name, class time and location and item(s) being purchased written on the front of the envelope. If purchasing baton uniform number 2, it is recommended that you order large enough to get a year's use out of this uniform.

Accessories: For either uniform include comfortable, white, plain, Ked-style sneakers with white shoe laces, white bobby socks and red ribbons for your hair, which is to be worn in two ponytails high on your head for baton twirlers and flags; one ponytail high on the head with one red ribbon for cheerleaders. Lipstick, blush, and eyeshadow should also be worn, as this is a show, and makeup is an accessory just as important as red ribbons and white socks. During cold weather, a RED long-sleeved turtleneck should be worn under the uniform, along with layers under the turtleneck and sheer to the waist, NUDE pantyhose. Secure these accessories right away.

Equipment: Baton ends should be clean. A cleaner with bleach will work best. If using practice caps, only white may be on batons for a performance.

Only official Star Attraction Pom Poms may be used for performances but are not mandatory.

Team Baton Students: Wear your hair in a bun with a hairnet. The large star is to be worn on the right side of the bun, at the ear. You will also be wearing sequins sewn along the hemline and neckline. All Competition Team Twirlers will have rhinestones put on their uniforms by the Parent Booster Group.

Parents: T-shirt, shorts, sweatshirt and sweatpants sizes are available for parents too. If you would like to be a banner carrier, Star Attraction T's or sweatshirts are necessary. If you will be attending a performance or a competition, you will certainly show support for your child and her activity by dressing in Star Attraction gear!

PLEASE RETURN THE ORDER FORM WITH YOUR ORDER.
