AAU Parade of Athletes and Awards Ceremony - Athletes - report to the lobby in costume (no warm-ups) with your baton and any medals won at last year's Junior Olympic Games. You will lead the parade. All gold medalists from last year's Middle Atlantic Districts and/or Super Regionals and Reach for the Stars, Jazzmatazz, Fiesta Cup, Island Cup and Caribbean Cup Champions will follow these Olympians. All of these champions will drape this year's winning athletes with their medals at the awards podium during the ceremony.

Thank you to any parents who can help to move the tables and chairs off the floor for the Parade of Athletes.

We are very excited to be represented at this year's Junior Olympic Games in Novi, Michigan, and wish you much success. Do let us know how you are doing by posting on the Middle Atlantic District AAU and Star Attraction facebook pages. Also friend me, Diane Gangi George, so that I may personally share in your success! Should you win a Gold Medal at the Junior Olympic Games, you MUST let me know, as you will be invited to the Middle Atlantic District annual banquet and will be presented with a District Championship ring!
